ACU All Star Contact Information

Please return to Terri Hocott with \$5 before May 31, 2012

I need to be able to contact you. I will use email to send out the monthly newsletters, fundraising information, meet fees reminders and other important ACU stuff, but only list your email if you check it regularly. You should also check around the gym, the website, or ACU facebook for recent news and information.

Instant Alerts this is a text message system that sends out important information quickly to everyone enrolled via text message. Please **circle the numbers to be enrolled** in Instant Alerts. It must be a cell phone & standard text messaging rates will apply according to your cellular plan.
